Land Acknowledgement

The Wine Society and SSMU operates as part of McGill University, which is located on the unceded territories of Indigenous peoples, including the Haudenosaunee and Anishinaabe nations, which has long served as a site of meeting and exchange. The SSMU recognizes and respects these nations as the traditional custodians of the lands and waters on which it is located. It is the responsibility of settlers to work to understand and fight against the ways in which colonial violence manifests in all facets of life, including but not limited to, uplifting and amplifying Indigenous voices.

Tasting Tips

- Hold your glass by the stem as to not alter the temperature of your wine
- Cheers bowl-to-bowl to limit breakage
- Swirl your wine to open up more aromas for a better smelling/tasting experience
- After smelling your wine, take a big enough sip to cover your palate with the wine
- Swallow or spit your wine, think about what you tasted!
- Was it fruity? Spicy? Minerally? Talk about it!
